

CV OF DIPAK RAJ

MEMBERSHIP OF PROFESSIONAL ORGANISATIONS

British Orthopaedic Association (www.boa.ac.uk)

British Association for Surgery of the Knee (BASK) (www.baskonline.com)

British Hip Society (BHS) (www.britishhipsociety.com)

General Medical Council (GMC) (www.gmc-uk.org)

International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine (ISAKOS <http://www.isakos.com>)

Registration No: 4377968

QUALIFICATIONS

MBBS, Patna University, India 1983

D Orth. Patna University, India 1987

MS Orth. Patna University, India 1990

FRCSI. Royal College of Surgeons in Ireland 1993

Mch. Orth. University of Liverpool 1997

FRCS Tr and Orth. Intercollegiate Examination Board 2007

SPECIAL INTEREST

Sports and soft tissue knee surgery

MEDICO-LEGAL PRACTICE

I am doing Medicolegal practice for the past 16 years. I do medical negligence cases as well.

SENIOR CLINICAL LECTURER

University of Lincoln

STEERING GROUP MEMBER

for opening a medical school in Lincoln
Lincoln University (2014 -2017)

COURSE ORGANISER AND FACULTY MEMBER

(From 2007 to 2017)

- a. For Orthopaedic senior trainees (FRCSOrth.org.uk)
- b. For GPs and physiotherapists

AUTHOR

E-books

1. Medical Job Interview for Hospital Consultant Post: How to succeed?
2. Trainees Handbook: Trauma and Orthopaedics, A handbook for FY, CT and ST1/ST2

Doctors

ASSOCIATE: GENERAL MEDICAL COUNCIL

Since 2018

CLINICAL LEAD: BONE AND JOINT JOURNAL

I was a clinical lead for Bone and Joint Journal in 2013
(<http://www.boneandjoint.org.uk/content/patellofemoral-arthroplasty-should-we-do-it>)

REVIEWER FOR INDEXED JOURNALS

I am a reviewer of following journals:
Journal of Arthroscopy
Bone and joint Journal

APPRAISER

I am a trained appraiser at the trust level

EXAMINER

MRCS examination - Royal College of Surgeons in England, London since 2013

COMMITTEE MEMBER

ISAKOS (International Society of Arthroscopy, Knee Surgery and Orthopaedic Sports Medicine)

RESEARCH

In association with the University of Lincoln, a gait laboratory was set up at Pilgrim Hospital. Gait Laboratory research is going on in anterior cruciate ligament injured cases (2014 - 2017).

PUBLICATIONS

Peer review papers

ON-GOING PROJECTS AND RESEARCH INTERESTS

ACL reconstruction: Stiffness of the hamstrings graft fixed with Ezylok and washelok techniques

An investigation of biomarkers in ACL patients and healthy controls:

Lead investigator: Prof David Mullineaux, Professor in Sports Science

School of Sport and Exercise Science

College of Social Science, University of Lincoln.

Co-investigator - Dipak Raj, Consultant Orthopaedic surgeon, pilgrim hospital, Boston

This multi-disciplinary research study aims to investigate novel pre- and post-operative biomarkers as performance-based investigations (PBIs) to improve surgical and treatment strategies in anterior cruciate ligament (ACL) patients.

ACL and MPFL reconstruction as a day case.

SPAARK (Study of Peri-Articular Anaesthetic for Replacement of the Knee)

trial: I am a co-investigator.

Freedom Knee Replacement: We are in process of setting up a multicenter national study.

COMPLETED RECRUITMENT FOR NATIONAL TRAILS

TOPKAT trial

DRIFT Study

CLINICAL EFFECTIVENESS

- Standard Operation record

We are trying to standardize operation note of the following

1. Knee arthroscopy
2. Total hip replacement
3. Total knee replacement

- DVT prophylaxis

AUDIT

Radiological assessment of ACL reconstruction, Wokhlu A, Raj D. February 2020

MPFL reconstruction:

Knee clinic- Patient satisfaction audit: Presented in local audit meeting. Satisfactory outcome had been achieved.

Sophie Reiter, Raj D. 2016

Patient satisfaction audit: Presented in local audit meeting. Satisfactory outcome had been achieved.

Rajput V, **Raj D.** 2013

Osteoporosis: Are all fracture neck of femurs admitted in the department of orthopaedics getting medications for osteoporosis appropriately.

Mehta S, **Raj D.** 2010.

DVT prophylaxis following hip and knee replacement arthroplasty

Foo R, **Raj D.** Pilgrim Hospital Boston, Lincolnshire

(Presented in the Clinical Governance meeting: Nov 2009)

Intra-operative use of cell-saver devices does not decrease post-operative transfusion requirements in total hip replacement arthroplasty

Lawrence C, **Raj D,** Keene, GS, Addenbrooke's Hospital, Cambridge 2007.

(Presented in the East Anglia Orthopaedic Club Meeting: Nov 2007)

Cementless total hip replacement

Raj D and Themen A, Royal Berkshire Hospital 2004

Infection after arthroscopic surgery of the knee joint

Raj D, CM Fergusson, Royal Berkshire Hospital 2005

(Presented in the Clinical Governance meeting: Feb 2005)

Current practice of ankle fracture management at a district general hospital

D Raj, C Clark. Wexham Park Hospital, Slough 2005

(Presented in the Clinical Governance meeting, February 2006)

Case mix and outcome of patients referred to the spine service at a district general hospital

D Raj, B L Sharma, R W Marshall, Royal Berkshire Hospital 2005-2006

Practice and management of patients after manipulation and K wiring of the wrist

D Raj and Taylor LJ, St. Richards Hospital, Chichester 2001

Incidence of Infection in Orthopaedic Surgery at a District General Hospital Level.

Raj D and Wilson A, Merlin Park Regional Hospital, Galway, Eire 1993

Interlocking intramedullary nailing of open fractures of the tibia: Reamed or Unreamed?

Raj D and Ram RC, Patna Medical College Hospital 1990

Consent obtained by the Junior house officer: How informed?
Raj D and Singh HR, Patna Medical College Hospital 1988
